

Amendment: #2

Department of Education

Representative **G.R. SMITH** proposes the following amendment:

New

27.uf. (LIB: Use of Library Facilities) Libraries that receive Aid to County or Aid to City Libraries funds from the State Library must adhere to the South Carolina Standards for Health and Safety Education Act regulations adopted by the South Carolina Department of Education regarding the use of library facilities by the public. Each library that receives such funding shall submit quarterly reports to the Chairman of the Senate Finance Committee and the Chairman of the House Ways and Means Committee that details quarterly activities and usage of library facilities. Libraries that fail to comply with the requirements of this provision after January 1, 2020 shall be required to return their Aid to County or Aid to City Libraries funding to the State Library which shall deposit such funding into the General Fund.
